> *Aspiring costume maker with a passion for garment construction, textiles and bringing creative ideas to life.*

01 Profile

Textiles student at Callywith College, sewing and making my own garments since the age of ten. Particularly interested in costume making for theatre, film and television, and happiest when working practically: experimenting with fabrics and developing creative ideas into finished pieces.

02 Experience

AUGUST 2026 · WORK EXPERIENCE

Royal Ballet and Opera

Royal Opera House, Covent Garden, London · Fabric & Haberdashery Stockroom

Experienced a professional theatre costume environment, gaining insight into the fabrics, materials, trims and haberdashery used in costume production, and the behind-the-scenes organisation supporting opera and ballet productions.

WORK EXPERIENCE

Blackburn International

Camberley, Surrey · Costume Department

Assisted with costume making and repairs for a company producing theatre shows for cruise liners.
